

ACHIEVE MENTORING PROGRAM – QUESTIONNAIRE FOR THE APPLICANTS

The Academy for Clinical and Experimental Virology (ACHIEVE) would like to offer a one-year mentoring program for young, virology-interested PhD students in their final year, postdoctoral researchers, and veterinary/medical doctors (up to the point of board certification), who are members of the Society for Virology (GfV). In order to apply for such a mentoring program, please send us the filled questionnaire.

Name:

Career stage:

Field of studies:

University/Company/Institution:
